

Ref.No - 2022/TIH-FETR/364
Project Code- TIH/CS/03

Date: 28/07/2022

ADVERTISEMENT TO FILL UP PROJECT POSITION

Applications are invited from Indian Nationals only for the project position as per the details given below for the Technology Development Project by the Principal Investigator (**Name: Prof. Saurabh Vijay**), under **Divyasampark iHUB Roorkee for Devices Materials and Technology Foundation** (A Section 8 – Non-profit Company) at Indian Institute of Technology Roorkee.

- Title of Project:** Web based platform for asset monitoring and management using satellite remote sensing
- Sponsoring Agency:** Divyasampark iHUB Roorkee for Devices Materials and Technology Foundation
- Project positions:** Software Developer Intern
- No. of Vacancy:** 02
- Location:** IIT Roorkee
- Qualifications:**
 - Pursuing bachelor/master degree with design experience for digital products and services
 - Experience managing a development project from start to finish
 - Ability to communicate effectively to different audiences within the organization
- Relevant Experience:**
 - Developing, testing, deploying and improving (not just maintaining) what you build
 - Building Web Page and application that will be available on Android and iOS. Qualifications required:
 - A solid understanding of Development – HTML, CSS, Flutter, JavaScript, Django or PHP
 - Experience in coding in one or more of these languages – Flutter, Java, JavaScript, Python, PHP or similar
- Job Description (In Brief):**
 - As a Product Design Intern, you will be creating design artefacts at different stages of the product development cycle, such as user experience flows, wireframes, sketches and interactive prototypes, and eventually create high-resolution mockups and design assets.
 - Will also work closely with developers on the final feature or product, right from the conceptualization stage to release.
 - Always be an advocate for the end user, pushing for and thinking about the most meaningful user experience possible
- Duration of the project:** 9 months
